Awarded Excellence

We have another NTMS student that we are so proud of her accomplishment in the Reflection Program, Savannah Mitchell. She had taken first in our Reflections Program, and we just received the results from the state competition; Savannah has taken second place and was given The Award of Excellence in the film category for her piece. Her film project was titled:

A Brush Stroke Away.

Yearbook News

Parents, we need your help.

We are doing a fun feature page of your kids when they were younger and we would love for you to send in one baby or toddler picture of your middle schooler by March 16. Please email the picture to Julie Sherman (jsherman@dieringer.wednet.edu).

If you would like to write a caption to be printed with the photo, for example: "We are so proud of you Aidan. Love Dad & Mom", you may do so for \$30.00 (no fee for the picture, only for the sponsorship). If you choose not to sponsor, your child's name will appear under their picture.

We will also be doing a feature page in the yearbook for our business sponsors. If you own a business & would like to help sponsor our yearbook, please send in your business logo to jsherman@dieringer.wednet.edu. The cost of business sponsorship is also \$30.00 and your payment may be made with Mrs. McIlrath in the front office by March 21. We will proudly display your business logo on this page!

Your ad for your child may only be 130 characters. An example would be, "This page sponsored by the proud parents of _____, Love, Mom and Dad", or "This page sponsored by (Business here and phone number)."

Contact Mrs. Sherman (jsherman@dieringer.wednet.edu) or Mrs. Davis (adavis@dieringer.wednet.edu) if you are interested.

Your sponsorship is greatly appreciated and it helps cover the cost of supplies, production, and special extras like a full-color cover.

We would like to thank the following business sponsors: Maris Farms, Anardi Family Dentistry, Henschell Chiropractic & Mrs. Rezek with Keller Williams Realty.

We would like to thank the following sponsors: the Anardi family, the Tackett family, the Andre family, the Zinski family, the Headley family, and the Scoccolo family.

Use Schoology to View Your Child's Classes

To view your child's activity in his or her classes, you can log in to Schoology at <https://app.schoology.com/login> to create a Schoology parent account. When you create a parent account, you'll need a parent access code, which you can get by emailing your child's name to the Technology Integration Coach, Mr. Baker. dbaker@dieringer.wednet.edu. If you want to download the Schoology mobile app, you can do that after your account is created.
