Fall Sports

The 6th grade girls are having a great time practicing. They are learning great fundamental skills of dribbling, passing, and shooting and having fun while doing it all.

Please help us get your student updated in our system before the deadline!

Getting Students Home

We want to be sure students know what their plans for after school in plenty of time before the end of school. We also know that plans can change, the sooner we know your plans the smoother things go at the end of the day. We would like written notes in the morning, but phone calls prior to lunch are welcome too.

Please try to plan ahead and communicate early. Thank you.
