Mrs. Lakin's art classes are creating gems this week. They are learning about shading, adding values, and how the use of light and dark colors can create more realistic looking gems. They have been experimenting with various media and they are making great progress. They are so wonderfully talented!

This student was able to accomplish the shading technique using markers so Mrs. Lakin had him show the class how it was done.

### Media

- Watercolor pencils
- Markers
- Glitter paints
- Colored Pencils
- Metallic Color Pencils
